The Mora

**Two-Story
4 Bedroom / Office**

Mora is located in Dalarna County, Sweden. Mora is where some of Sweden's earliest buildings were found and is located between Lake Siljan and Lake Orsasjon in the center of Sweden.

Continuing the Little Sweden tradition, we have designed this villa with a Scandinavian touch - yet each with its own distinct characteristics.

This spacious 2-story vacation home offers you and your family 2,600 square feet of living space. Featuring 4 bedrooms, 2 1/2 full baths, a large living area with fireplace, dining room with well-appointed kitchen, office, sunroom, walkout deck overlooking a breathtaking woodland view, utility room, plenty of storage space, and a 3 car garage.
