

Single Family Home

The Malmo

**Two-Story
3 Bedroom / Bonus Room**

Malmo is the capital and third largest city in Sweden.
It is ranked as the fourth most inventive city in the world, based on patents per capita.

Continuing the Little Sweden tradition, we have designed this villa with a Scandinavian touch - yet each with its own distinct characteristics.

This spacious 2-story vacation home offers you and your family 2,500 square feet of living space. Featuring 3 bedrooms, a finished bonus room, 2 1/2 baths, a large living area with fireplace, dining room with well-appointed kitchen, sunroom, walkout deck overlooking a breathtaking woodland view, utility room, plenty of storage space, and a 2 car garage.
